

2nd June 2025

Dear Woodcote Community,

Firstly, I just want to extend a huge thank you to all that have supported us with the fundraising we have been completing over the last year for the new laser cutter, with a very special thank you to the PTFA. I am very happy to say that we have reached our target and will have a new laser cutter being installed over the coming weeks.

Secondly, I have been overwhelmed with the support for the new food room items that the community have been purchasing via our amazon wishlist. We are so excited that we are going to be able to offer this new equipment to our students in September. There are still items that we require on the wishlist so if you are looking to contribute then please find this here: <https://amzn.eu/eUsWveS>.

The bake off was a great success and thank you to all those that entered. The winner was Celeste in Year 9 with the wonderful cake you can see below.

Finally, I have looked at one final way in which you can easily help raise funds for the DT/Food department here at Woodcote. If you online shop, by following this link [Woodcote High School - Coulsdon Fundraising | Easyfundraising](#) there is a way in which, at no cost to you can help raise funds. The way in which it works is by clicking to your usual website via this website it will register you have used the easyfundraising website to reach it, you carry out your usual shopping, the brand will then add money into our Woodcote pot. You will not be charged any extra for this it comes from the brand itself.

Thank you once again for all the support you have offered us.

Best wishes

Miss Wicks, Head of DT
