

Monday 8th July 2024

Dear Parent/Carer,

To celebrate the end of a busy and successful year in the library, I have invited **Forbidden Planet Croydon** to run a manga book fair and art competition on Thursday 11th July 2024.

Students can visit the library at lunchtime to browse and buy manga books and discounted merchandise. Both cash and card payments will be accepted.

I would also like to invite students to enter our manga art competition by submitting an A4 drawing or storyboard to me in the library prior to the event – more details on the attached poster.

I have worked closely with the manager of **Forbidden Planet Croydon** to ensure that the books on offer are suitable for our students. However, if you are not happy with your child taking part, please discuss this with them and let me know by email.

Yours sincerely

D.Sherwood
