Dear Parent/Carer(s)

Re: Year 11 Easter Masterclasses

At Woodcote High School we want to ensure that all our Year 11 students have every opportunity to reach their full potential. We will be running Masterclass sessions over the two-week Easter break for specific subjects from **Tuesday 2nd April until Thursday 11th April 2024** (see the attached timetable).

The half term sessions follow the same format as the Saturday Masterclasses; students will be invited so students / parents will be contacted by individual departments regarding attendance.

The following conditions apply to the Easter Masterclass sessions:

- Students arrive promptly at 9.50am ready for a 10.00am start
- Students gain access to the site via the front pedestrian gate as normal
- Students come in their own clothes and not school uniform
- Students go directly to the pre-allocated classroom where the session is held
- Students work hard and respect the teachers delivering the sessions and follow normal school expectations
- Students are dismissed at 12.00 noon and leave the site promptly to return home unless an alternative time has been agreed in advance.
- If a student has a second session (which would start at 12.15pm), they will have a short break and we encourage your child to bring a packed lunch. The second session finishes at 2.15pm.

The Masterclass sessions are an ideal opportunity for your child to close any existing gaps and complete focused exam preparation. We would be grateful if you would speak to your child to promote the positive aspects of this wonderful opportunity to further enhance their learning. As a school, we highly recommended that your child engages with these Masterclasses.

If you have any queries, please feel free to contact your child's tutor, Mr Rahim or Mr Deale.

Yours faithfully

Mr Rahim
