Dear Parent/ Carer(s)

### **Relationships and Consent Workshop**

On Wednesday 28<sup>th</sup> February 2024 during periods 1 and 2, all Year 9 students will be invited to watch *Before Anyone Else*, a performance organised through the Upfront Theatre Company.

*Before Anyone Else* was created in response to the #MeToo movement. The play and interactive lecture explore the compulsory themes of consent, relationships and sexuality. Students are invited to identify positive vs. negative relationships and advised on how to end toxic relationships; how to seek support in school will be provided. In addition, pastoral support will be available throughout the performance if required.

In PSHCE lessons, Year 9 students have completed a series of lessons on healthy relationships. We hope this workshop will provide a further opportunity to develop students' knowledge and empower students to seek support if required.

To support with educating children on these important themes, we encourage parents to provide discussion opportunities at home and welcome any queries you may have to aid supporting your child.

With kind regards
