

# Year 7 End of Year Exams: Revision Guidance

<b>Circulation</b>	Year 7 Students
<b>Title</b>	Y7 End of Year Exam Revision
<b>Purpose</b>	To provide revision information for End of Year Exams

**You will complete one paper for your end of year exams, taking place in June. The following areas of knowledge will be assessed.**

- Continents
- Countries
- Compass points
- River processes (Erosion, Transportation and Deposition)
- River features – Upper, middle and lower course landforms.
- Causes and Effects of Flooding
- Geology- different types of rocks
- Tropical Rainforests
- Weather hazards
- Map reading- 4 and 6 figure grid references

Your paper is 45 marks so you will have 45 minutes to complete this. You must answer all questions in the paper.

The papers will contain a variety of question types including:

- multiple choice
- short answer questions
- longer answer questions
- practical and math skills questions.

You will need a black pen, pencil, ruler and calculator for the exam.
